

Certificate of Appreciation

Dear Souvik Sarkar,

You have been appreciated by Orlando Villanueva Zuno.

Thank you so much for all the effort you have put on the Learning IT initiative so far! The initiative is not over yet, but we can do a checkpoint here and recognize the effort put within.

We -as a Team- hit first place for the month of August, with a progress of 42% compared to the next Team who are scoring 27%, so almost as twice as much!

THANK YOU!

Warm Regards.

TCS Gems Team
